The screenshot displays the Retirement Online website interface. At the top, the header includes the NYS Comptroller's name, Thomas P. DiNapoli, and the NYSLRS logo. Navigation links for 'Members', 'Retirees', 'Employers', 'Planning', and 'Forms' are visible. A prominent 'Retirement Online' banner features a 'Sign In' button and tabs for 'Employers' and 'Business Partners'. Below the banner, a section titled 'Get Certified to Use Retirement Online' provides instructions for users. Two red boxes highlight the links for 'Silver Certification list' and 'Bronze Certification list'. The page also includes a 'Silver Certification Toolkit' with various guides, 'Self-Paced Training' links, and 'Quick Links for Retirement Online'. A 'Featured Video' section at the bottom right promotes the benefits of Retirement Online for employers.

If You Need to Complete Bronze Certification

For all state agencies, authorization forms were mailed to the personnel contact at your organization who designated the correct officers to appoint Contact and Security Administrators.

1. Make sure your employer has designated your **Security and Contact Administrators**
2. Your **Contact Administrator** will need to **Sign In to Retirement Online** and update your **employer contacts**
3. Your **Security Administrator** will need to **Sign In to Retirement Online** and give the appropriate employer contacts the following Security Roles:
 - **Payroll**
 - **Personnel**

You'll have to complete these steps to move on to Silver Certification!

Retirement Online Employer Security Roles

Security Role	Description
Security Administrator	Requests <i>Retirement Online</i> system access for their location code for users who need it to do business with NYSLRS. Monitors for fraud or suspicious activity. Reports unusual activity to NYSLRS for follow up. Remove access when necessary.
Contact Administrator	Maintains employer contact information for the organization. Completes periodic reviews and updates to employer contacts. This includes adding new contacts, removing old contacts, and modifying the demographic information of existing contacts.
Payroll	Accesses and views a listing of all contribution rates and effective date of any rate changes for employees at their location code. Also receives requests to maintain payroll deductions owed to NYSLRS.
Personnel	Completes member enrollment transactions for new employees at their location code.

**Please see supplemental security roles worksheet for more information on these roles and the notifications that are applicable.*

If You Need to Complete Silver Certification

Once your Security Administrator has designated your Payroll and Personnel security, the individual with the Personnel security role will receive an email from NYSLRS, requesting that the complete the “Member Enrollment Fundamentals – State Employers” Course.

Make sure you complete the survey at the end using the same email tied to your employer Retirement Online account – this is how we give you credit!

REAP Replacement

- **What is REAP?:** The Retired Employees Acknowledgement Program (REAP) was the electronic tool used by many employers to submit the Statement of Accrued Payments and Leave Credits (RS6221) prior to February 2018
- **How are RS6221 forms being submitted today?:** Since REAP decommissioning, employers have been downloading the RS6221 form and mailing or faxing them to NYSLRS
 - <https://www.osc.state.ny.us/retire/forms/rs6221.pdf>
- **Starting this fall, you'll have an electronic method to submit these forms again – next, we'll walk you through the changes.**

Benefits of Submitting the RS6221 in Retirement Online

- The form gets to NYSLRS as quickly as possible – allowing us to more quickly calculate the benefits owed to your employee and close out their retirement
- The electronic version of the form is delivered immediately to the examiner processing your employee's retirement, again increasing the speed with which we are able to close out the retirement case
- It's a good way to practice using Retirement Online for something you already have to do prior to the full Release 2 coming next year!
